PROFESSIONAL SUMMARY

Cybersecurity student pursuing a Bachelor of Science in Cybersecurity with a minor in Computer Science. Hands-on experience as a SOC Analyst intern with exposure to security monitoring, threat identification, and incident documentation. Strong technical foundation in Python and networking fundamentals, combined with a proven work ethic developed through full-time labor and retail positions.

EXPERIENCE

SOC Analyst Intern | University of Nebraska at Omaha – College of IST | Oct 2025 – Present | Omaha, NE

- Participated in the MATRIX Project supporting cybersecurity monitoring initiatives.
- Assisted with security event review, threat identification, and incident documentation.
- Collaborated with technical teams in a professional on-site SOC environment.

Landscaper (Full-Time) | Vlcek Gardens | 2024 – 2025 | Chapman, NE

- Performed physically demanding outdoor work with strong attention to detail.
- Demonstrated reliability, teamwork, and time management while balancing academics.

Railroad Laborer (Full-Time) | R & S Track Maintenance Inc. | 2023 – 2024 | Columbus, NE

- Assisted with railroad track maintenance following strict safety procedures.
- Worked effectively in high-risk, team-based environments.

Walmart Associate | Walmart | 2022 – 2023 | Grand Island, NE

- Provided customer service in a fast-paced retail environment.
- Managed stocking, inventory, and daily operational tasks.
